

PROMOTING EDUCATION THROUGH SPORTS

**2011 INDUCTION
ONTARIO CONVENTION CENTER
SUNDAY, FEB 27TH, 5PM**

MISSION STATEMENT

The primary mission of the California Sports Hall Of Fame is to capture the passion children and young adults have for sports, and direct that energy to enhance their educational and personal goals. Through the organization's efforts and resources, the California Sports Hall of Fame will support and promote education and sports for children and young adults throughout the state of California.

CSHOF draws at-risk and underprivileged youth, by hosting free athletic clinics, where well-known professional athletes will donate their time to coach the athletes. Once at the CSHOF's events, the athletes will be given unparalleled training in sports and will be encouraged to further develop their education. The CSHOF's decision to use athletics as a vehicle for exposing the athletes to education, gave rise to its motto, "Achieve Your Goals through Sports and Education." Through clinics and mentorship, the CSHOF hopes to foster a goal-setting spirit in each child. The California Sports Hall Of Fame's events offer these student athletes the opportunity to develop and refine the essential skills in their respective areas of interest. Each event that CSHOF hosts offer a structured, well-supervised atmosphere where children and young adults are led through sessions of drills, demonstrations and discussions on all aspects of sports. CSHOF also stress the importance of sportsmanship and a positive attitude in sports and in life. The goal of the CSHOF is that every student participant will leave each event as a better athlete and, more importantly, a better person.

CSHOF assist young struggling athletes and Olympic hopefuls who cannot afford education or the means to support themselves while training for competitions. Many times in this great state dreams are unfulfilled because less advantaged athletes are unable to work and train. CSHOF help nurture and support these individuals. once a year, an induction ceremony is held to honor and recognize the accomplishments and contributions of the men and women who excelled in their respective areas of sports and sports media in the state of California, nationally and worldwide.

CSHOF is actively working with children and young adults. Annual summer sports camps are held with older and retired athletes acting as counselors. These camps will eventually spread throughout the state. Every athlete gets an equal opportunity to improve their skills and receive the much needed equipment to succeed.

BOARD OF ADVISORS

Christian Okoye

Kansas City Chiefs HOF RB

Eric Dickerson

National Football League HOF LA Rams
